Back row : Claire Peterson, Willow McKenzie, Mia Nalder, Maddison Benton

ATTENDANCE

Principals Message

Dear parents, carers, family and friends,

I hope everyone enjoyed the long weekend. I know the town was very busy with the rodeo and there were many extra events for everyone to enjoy. If you didn't attend, I'm sure the extra day was beneficial to you and your family.

The students are enjoying their whole school reward today for filling the buddy ticket cylinder. So many safe, respectful learners in our school who are celebrating the achievement with crazy hair. I'm always impressed by the creativity of our students and their families on these occasions.

Minister's visit

The Minister for Education, Mr Rob Stokes visited our school last Tuesday and it was a positive experience. He interacted with staff and some students and asked questions about the directions we are taking to support the learning, social and emotional needs of our students.

He is very keen to visit as many rural and remote schools as possible to develop an understanding of the context in schools that are long distances from the metropolitan centre of Sydney. Our school captains were wonderful representatives of our school and he presented them with 2 books for our library.

Staffing

At the moment we are experiencing difficulty replacing staff who have left and on some days we are needing to split classes to ensure that all students are in a class environment. This is not ideal and we are seeking new staff through DoE processes. We appreciate the support of parents during this time and please be assured that we only put children in other classes for the day as a last resort.

P&C – important meeting

The P&C are meeting tonight at 5.00pm in the community room. This is a very important meeting to select a treasurer and a canteen coordinator. These positions are vacant and without them the P&C cannot operate our canteen/uniform shop.

If the P&C does not fill these crucial positions, the canteen will close on Wednesday 14th June.

If you would like to nominate yourself or another person for one of the positions, please contact the school and we will put you in touch with the P&C or attend on Tuesday 13th June in the community room at 5.00pm.
