Principals Message

Dear parents, carers, family and friends,

Congratulations to a number of students this week. Our Regional Cross Country team travelled to Coolah last Friday and represented the school proudly. Thank you to Mrs Parsons who accompanied our team. It was a long day and the students gave their best in the event.

We had 11 students who were selected from 3200 across Regional NSW to attend the Moorambilla 2017 camps and concert in Baradine and Dubbo. Special congratulations to Evelyn McBride who has been selected with 60 other students to go to Sydney and record at ABC studios. This is a great opportunity for our musical students to sing with like-minded students across rural NSW. Well done and thanks to Mr Kuz for his tuition and support of our music programs.

P&C –Thank You

At the P&C meeting last Tuesday, the vacant positions were filled which means that the canteen will remain open. Thanks to:

Joelene Dennis - Treasurer
Sam Benton - Canteen co-ordinator
Stacey Hughes – Uniform coordinator

The commitment of these parents to our school and making sure that the canteen and uniform shop can operate is so important.
The P&C raised approximately $1,500 on the gate at the rodeo on the long weekend. All funds raised by the P&C will be put towards air-conditioning in the school.

Reports

Teachers are currently finishing the reports on student progress for the first semester. These reports will give parents and carers information about what students have learned, their achievements and effort and how they can improve . If you have any questions about reports, please make a time to speak to your child's teacher. Writing reports is a very important task for teachers to ensure the information is accurate.

Enjoy the week ahead.

Annette Thomson
Principal

Zone Cross Country

On Friday, students travelled to Coolah to compete at the Regional Cross Country. It was an early start for staff and students, leaving Coonamble before sunrise. Students of Coonamble Public School got a chance to test their long distance running skills and compete against other schools. A huge effort was put in by all students. Congratulations and well done to those students that represented Coonamble Public School at the Regional Cross Country. You did our school proud.
