# From the Principal.....

Dear parents and caregivers,

Fran our school psychologist has been visiting classrooms over the last week. During this time, she has talked to students about how their brain works and what our brain is doing when it's calm and how it's different when our feelings take over. One way students learnt to help them calm, was belly breathing. This work will be a focus of ours over the year and we hope to work with parents as well.

Our new wellbeing room, now known as the Maliyan Room is progressing well. Maliyan means 'eagle' in Gamilaroi and we hope students who work in the room will soar, by using this safe, calm space to have expected behaviours retaught and make their way back to learning.

Look out for information coming soon around PLP meetings. These short meetings, give you a chance to meet the teacher, share information about your child and develop a learning plan for the year, to create a personalised learning pathway.

Help our school & volunteer at the canteen. We are always keen to have helpers in the canteen, even if it's for only part of a day. Please see Sissy Baker in the canteen, if you can help in any way.
