From the Principal.....

Dear parents,

Congratulations to our staff, students and community member who received Education Week certificates at assembly on Friday. It was a lovely way to end the week and I was very honoured to be given an award. It was very unexpected and I feel very fortunate to be at Coonamble Public School.

Well done to Mrs Anthea Robinson, Mrs Jodi Prentice, Mrs Gloria Fernando, Mrs Sue Webb, Mr Ted Fernando, Mrs Maureen Nalder, Dekoda Jackson and Rhylee Astill who were recognised for their wonderful contribution to our school. Students enjoyed the stem activities at lunch time and I'd like to thank Miss Ryan & Miss Farrell again for giving up their time to run the activities during their break. We are so fortunate to have teachers who are willing to make sure students have access to interesting activities.

Staffing

Congratulations to Mrs Cindy Parsons who was successful in an EOI process to select a relieving Assistant Principal to replace Ms Wendy Smith. We are looking forward to working with Mrs Parsons on the executive team.

High School Musical

Last week the high school was the venue for this musical production that featured students from our school, the Catholic school and high school. It was fantastic and I hope that many families were able to attend on Friday or Saturday nights. We took the whole school to a matinee dress rehearsal on Thursday and I was very impressed with the behaviour and level of engagement of our students. It was quite a long play and our students were respectful and appreciative as an audience. Thanks everyone.

Have a great week

Touch Football

Congratulations to our Girls Touch Football team who had a good win over Gulargambone Central School on Monday at Coonamble Sports Ground. Our girls won 14-0. Thanks to Mrs Parsons for coaching the team.

Enrol Now for Preschool 2019

Coonamble Public School Preschool is a departmental preschool, located on the grounds of Coonamble Public School. We promote a service that understands, represents and values each child and their family. We believe that children are unique and we understand that children learn best through play. The Early Years Learning Framework guides our program and we strive to build on children's literacy and numeracy, through conversations.

We operate during school hours and offer a quality play based education program, to children one year prior to starting school.
