### Staffing

Last week we welcomed Kate Graham back to our school to work in preschool, Kindergarten, the library and stage 3. Kate has changed her surname and will be known as Miss Renna from now on.

### Bookweek, Literacy and Numeracy Week & Father's Day

It is a big week of celebration for these events in our school. The library looks amazing with the hunt for treasure theme and the book fair set up all week. Thanks to Mrs Nardean Farrell for her creative talents in art and the helpers and students who made sure it happened. Please make sure you come and have a look when you are in the school this week. I know photos went on our facebook page too.

I know that a few families have expressed disappointment that we are not having a bookweek parade this year. It was discussed and a change for this year was made that is more relevant to the theme. It is good to do different things and the students are engaging in fun activities throughout the week (including a treasure hunt) which they are enjoying. There is a special event planned for the whole school on Friday that will be fun too.

We are also celebrating father's day this week. Friday will be a day when families and friends are welcome at the school almost all day. Please come along and join in as much or as little as you are able to. The students would love to see you in their classrooms and joining in or just watching them.

**8.00am- Book Fair opens in the library and will be open all day for purchases. Students have completed a treasure hunt this week which ended in the library to make a wish list of books they like.**

**8.15am – breakfast for students and the males in their lives. Students must have an adult with them to participate in the breakfast on the lawn behind the office. All other children will still have access to usual breakfast club.**

**9.45 -10.45am – open classrooms. Parents, carers, family and friends are welcome to visit classrooms informally and look at children's work or talk to them. Students will have independent activities to do during this time.**

**10.45am-11.30am Assembly in the hall. Everyone welcome.**

**11.30-12.10 – BBQ lunch for everyone – students and families and friends. Under the COLA and then play.**

**12.10-1.40pm – whole school activities in mixed groups. Families and friends can wander and join in or watch students.**

Normal school from recess.

There will also be a father's day stall running sometime during the day with the P&C. Gifts from \$1 -\$5 will be available for purchase.

We hope to see many families and friends joining in for the day or part of the day.

Have a great week
