## Coonamble Public School Preschool

Coonamble Public School Preschool is a Department of Education preschool, located on the grounds of Coonamble Public School. We promote a service that understands, represents and values each child and their family. We believe that children are unique and we understand that children learn best through a play based curriculum. The Early Years Learning Framework guides our teaching and learning program and we strive to ensure that all children experience learning that is engaging and builds success for life.

## Hours of Operation

9.00am – 3.00pm

## Eligibility

Children must be turning four before the 1<sup>st</sup> of August 2023 or are between the ages of 4-5 years.

## Fees

Coonamble Public School Preschool does not charge a fee for children to attend.

## Support

Coonamble Public School Preschool is supported by the school Learning and Support Team. This team supports children, by providing access to a range of services, for example speech therapists, and occupational therapists.

Coonamble Public School currently employ an Allied Health Professional who implements speech and occupational therapy programs within the preschool.

## Family Involvement

At CPS Preschool we value family participation and strive to involve families in day to day activities, special events excursions and the preschool program.

We use  
**kinderloop**  
to engage with our families
